شرکت تجهیز صنعت سانیار در سال ۱۳۸۶ با هدف ارائه خدمات مهندسی و بازرگانی در عرصه صنعت کشور، به خصوص در زمینه نفت، گاز، پتروشیمی و صنایع فلزی تاسیس گردید.

بخش بازرگانی این شرکت به عنوان مجری فرایند خرید، تمامی تلاش خود را جهت تامین کالا از برترین سازندگان جهانی معطوف نموده تا در افزایش بهره‌وری و نهایتاً رضایتمندی مشتریان خود سهیم باشد.

در حال حاضر این شرکت متختر است که با تامین تجهیزات مورد نیاز پالایشگاه‌ها و سایر مجموعه‌های وابسته به نفت و گاز، همچنین با ارائه مشاوره فنی و اجرای پروژه‌های متعدد رانندازی و بروز رسانی تجهیزات قدیمی، گامی نو در ارائه خدمات به سازمان‌های ذی‌ربط برداشته و فصلی تازه پیش روی مدیران صنعتی کشور بگشاید.

در پایان به این نکته اشاره می‌کنیم که در این مجموعه سعی گردیده تا اکثر زمینه‌های فعالیت این شرکت در زمینه تامین تجهیزات به شما معرفی گردد.

Saniyar Industry Supply, was founded in 2007 with the aim of supplying goods and providing Engineering Services in the field of industry, especially Oil & Gas, Petrochemical and Metal industry.

Commercial sector of this company as the executor of the buying process, have focused all their efforts on supplying goods from the top global manufacturers to contribute the increasing productivity and customer satisfaction in advance.

At present, by supplying the required equipment for refineries and other related complexes of Oil and Gas, giving technical advices and also conducting several launching and updating projects, this company has proudly taken a new step in providing a vast variety of services to concerned organizations and opened a new chapter for the industrial executives.

Here by, we have tried to introduce most of our activities in the field of supplying goods.
